ENDOWMENT FOR SCHOLARLY ACTIVITY

A fund was established to support clinical research and or special projects undertaken by active duty, USAR, ARNG, and retired or former Specialist Corps (SP) officers at the AMSCA general meeting in 2001. The total amount available to be awarded for 2023 is \$2,000. Applications will be accepted for funding in the range of \$100-\$2,000. The recipients will be announced in May of 2023. This fund is named the AMSCA Endowment for Scholarly Activity.

THE NANNIE RUDD EVANS ENDOWMENT

The Nannie Rudd Evans Endowment was established in 2013, with an endowment given by Mrs. Charlotte Evans Floyd, sister of Nannie Evans, from the estate of COL Nannie Evans. The recipient must be a **dietitian**, active duty, USAR, ARNG, retired or former AMSC officer. The award for 2023 is the same amount as that of the AMSCA Endowment for Scholarly Activity, \$100-\$2,000. This endowment is to support clinical research, education and or special projects undertaken by the dietitian. The application procedure is the same and the **dietitian** applicant will automatically be considered for either the AMSCA Endowment for Scholarly Activities or the Nannie Rudd Evans Endowment.

Scholarship Applications will be assessed using the following criteria:

Research Proposal

1. Purpose of the project: meaningful for professional practice and/or patient care within the AMEDD
2. Hypothesis: Clearly stated and pertinent to the project purpose
3. Variables clearly stated and defined
4. Methodology proposed
5. Budget: Budget is realistic for the project, enough to enable the project to be accomplished, but not excessive. Include other possible funding sources.
6. Feasibility

Continuing Education Proposal

1. Educational activity purpose or need.
2. Site for proposed educational activity.
3. Budget: Budget proposed is realistic and enough to enable the activity to be accomplished, but not excessive; other possible funding sources considered and/or some cost paid for personally.
4. Feasibility: The proposed project is feasible, i.e., can be successfully completed within the time frame indicated.

Special Project / Publication/Other

1. Activity Purpose: Purpose of the project clearly stated; purpose meaningful for furthering professional practice and/or patient care within the AMEDD.
2. Activity Need: Proposal reflects an unmet need of the AMEDD; the need is clearly stated.
3. Budget: Budget proposed is realistic for the proposed activity
4. Feasibility: The proposed activity is feasible, i.e., can be successfully completed within the time frame indicated.
